# About

Jacksons, hosted at the famous Trak Centre in the heart of Toorak, looks to deliver a 1960's James Bond type experience. The venue has been re-styled to match the theme, most notably the walls have been painted in black and white candy stripe patterns whilst the bars now have black and white plush padding installed.

Taking advantage of the giant space, Jacksons offers 2 levels for guests to enjoy- upstairs features The Lounge, a cocktail lounge with semi-private booths, whilst The Basement downstairs provides party goers with a spacious dance floor surrounded by LED screens, capturing a true night club feel.

By night, the fully licensed smoking room and private Spy Room which is tailored for cigar smoking, ensuring guests truly feel like 007 for the night. By day, the smoking room is a café, offering heart-warming coffee and gourmet menu delights every day.

## *Events*

Our facilities can accommodate up to 400 guests for a stand-up cocktail style function in The Basement and up to 120 in The Lounge. Ample car parking is available both around the premises and in the carpark above the venue after 6pm.

To ensure your function is successful and memorable, Jacksons has access to a wide variety of performers, DJs, dancers & entertainers. Please discuss your entertainment ideas with your Event Manager.
